Spirituality and Resilience Assessment Packet

Registration Application: Independent Professionals

Please print and complete the following application, which will be mailed to the Institute for Contemplative Education. Your signature is your agreement that you will abide by the ground rules and professional training criteria described in this application.

Please circle the appropriate categories:

- I am a professional with formal background in the following area(s):
 - Religion
 - Mental Health
 - Medicine (background in social science / contemplative practice)
 - Education (background in social science / contemplative practice)

- All copies of the SRA that I reproduce will include the copyright notations from the 'master template' of the SRA that I receive from the Institute for Contemplative Education.

- I understand that I can use the SRA at institutions where I am employed. However, no other professionals (including my employees or supervisees) have permission to use the SRA under this registration.
