Spirituality and Resilience Assessment Packet

Registration Application: Institutions

Please print and complete the following application, which will be mailed to the Institute for Contemplative Education. Your signature is your agreement that you will abide by the ground rules and professional training criteria described in this application.

Please circle the appropriate categories:

- We are an institution offering professional services in the following area(s):
 - Religion
 - Mental Health
 - Medicine
 - Education
- All copies of the SRA that we reproduce will include the copyright notations from the 'master template' of the SRA that we receive from the Institute for Contemplative Education.
- We understand that institutional registration for use of the SRA allows appropriate professionals currently employed by the institution, or currently working as supervised interns at the institution, to use the SRA.
- Professionals and supervisees no longer working at the institution will be informed that they cannot continue to use the SRA without additional registration.
